## APPLICATION FOR VISA TO ENTER GUYANA

---

Kindly check Schedule 1 at the end of this document to find out whether you require a visa to enter Guyana before completing an application.

Applications for Visitors, Business, Student and Employment visas **MUST** be submitted online to the Immigration and Support Services, Ministry of Home Affairs of Guyana. All applications should be completed at <http://eservices.doc.gov.gy/>.

The High Commission will consider applications for prior entry tourist visas for applicants who satisfy the requirements outlined below:

### TOURIST VISA

A Tourist visa is valid for (1) month.

#### Documents Required

1. Original and one (1) copy of duly filled and signed visa application form.
2. Two recent standard Passport photos with white-coloured background (Scanned photos are not allowed & photos must be taken within the last 6 months).
3. Original Passport with at least (6) months validity and two blank pages.

4. £20 visa fees only in cash, Postal Order or International Bank Draft made payable to the “Guyana High Commission” in pounds sterling only. (Personal cheques are not acceptable.)
5. A copy of flight itinerary with proof of return/onward travel.
6. Evidence of sufficient funds for the duration of the visit/proof of other satisfactory arrangements for support while in Guyana, inclusive of a letter of invitation from the host in Guyana if not staying at a hotel or hotel reservation (which is applicable).
7. Recent bank statement; letter from employer and where applicable.
8. Travellers from countries with risk of yellow fever transmission (with the exception of Argentina, Paraguay, Suriname and Trinidad & Tobago) should either: present their international yellow fever vaccination card with their application or ensure that they are vaccinated ten (10) days prior to their arrival in Guyana and have their cards to show at the port of entry.

**Failure to provide proof of vaccination at the port of entry will result in denial of entry.**

**Documents not in English must be submitted with an official translation.**

**Processing time** - minimum of 5 working days if the required documents and information provided by the applicant is satisfactory (Postal applications may take longer.)

### **NOTE**

- 
1. There is no assurance that a visa would be issued, and any preparation or plan made for the journey would be done at the applicant’s own risk.
  2. Failure to complete the form properly as well as providing supporting documents will delay the processing of applications.
  3. Under normal conditions, applications for visas should be submitted at least one (1) week in advance of the proposed date of travel.

4. The granting of a visa does not necessarily guarantee entry into Guyana. Entry and length of stay in the country will depend upon satisfying the usual Immigration requirements/procedures at the port of entry.
5. A visitor who without permission, breaches his/her condition of entry while in Guyana may become eligible for deportation.

## **GUYANESE CITIZENS**

---

A Guyanese citizen travelling on a foreign passport does not require a visa if the passport clearly indicates the place of birth to be „Guyana“ or a well-recognised place in Guyana such as Georgetown, Demerara, Essequibo, Berbice, or Corentyne. If this is not the case, documentary proof of birth in Guyana must be presented to the Immigration authorities in Guyana, such proof being a birth certificate (both birth and marriage certificates in the case of a married woman) or a expired Guyana passport.

A child born of a Guyanese parent and presenting as documentary evidence a birth certificate (full version giving names of parents) and the birth certificate or Guyana passport of the Guyanese parent, does not require a visa. It will be necessary, however, to have some documentary evidence for the Immigration authority upon arrival in Guyana.
